This course will provide a minimum of 20 hrs CME and CE for doctors, nurses, dieticians, pharmacists, and allied health care professionals.

This cruise will only be open to the first 100 medical professionals that sign up and then pay a deposit starting September 17th. If for any reason the cruise is cancelled due to lack of participation, you will receive a full refund of any monies paid. After 100 applications have been accepted, we will accept 50 more to be put on a waiting list and then if you are not accepted, you will be given a full refund.

Each medical professional that participates, can be added to our referral list of medical professionals that are educated in Dr. Bernstein's treatment protocols.

So, if you plan on attending or even think you might attend, please register now and then on September 17th you will be sent an email asking you to pay a deposit to reserve your space.

For more information on the cruise just go to <http://www.diabetes911.net/diabetescruise/index.php> and after reviewing the information you are interested, please register on the site. If you have registered previously under any other link, please make sure you register now using the link above in order to confirm your interest in this diabetes cruise. Then on the week of Sept 17th you will be sent an email asking for a deposit, which will guarantee you a spot for this opportunity to learn from the best.

The cruise will be open to all medical professionals.

In addition, the cruise will be open to 2-3 patients that have used Dr. Bernstein's methods and have been successful in keeping their blood sugars in the normal ranges. These patients will participate in a question and answer session and share their experiences using Dr. Bernstein's methods.

DON'T MISS THIS ONCE IN A LIFE TIME OPPORTUNITY!
